

MainPower Price Schedule

APPLICABLE 1 APRIL 2016

Excluding GST and after the 10% Prompt Payment Discount is applied.

The prices in this schedule are used to charge electricity retailers for the delivery of electricity in the MainPower network area (excluding the former Kaiapoi Electricity network). Electricity retailers determine how to allocate this cost together with energy, metering and other retail costs when setting the retail prices that appear in your power account.

Metered Supply with Fixed Line Charge

PREFERENCE SHAREHOLDER REBATES

- MainPower's Preference Shareholders (also known to as Rebate Shareholders or Qualifying Customers) continue to receive Rebates. The amount of Rebate distributed to Preference Shareholders and the manner in which it is distributed is subject to regular review by the Board. Rebates are only made available at the discretion of the Board of MainPower.
- The Board has agreed that Shareholder Rebates should remain unchanged at 1 April 2016 at 1.905 cents per Unit, i.e. Rebates will continue at 1 April 2008 Levels.

NOTES

- A Fixed Line Charge waiver may apply for certain Codes in special circumstances. i.e. when approved by MainPower in writing.
- An approved Fixed Line Charge will apply for a minimum period of 12 months.

RESIDENTIAL CHARGES

- Storage water heating must be subject to control in order to qualify for All Inclusive Residential and/or Night Only. MainPower reserves the right to waive this requirement under special circumstances.
- Night Only is available for approved fixed wired storage water heating, storage space heating and other approved systems. Supply of Night Only is limited to a maximum of 8 hours between 9.30pm and 7.30 am. Storage water heating is subject to control. Night Only is only available in conjunction with another residential tariff. The Fixed Charge for All Inclusive Residential coupled with Night Only is 30.00 cents per day excluding GST and after Prompt Payment Discount has been applied, (Low User Option 15.00 cents per day).

CHARGES FOR OTHER SUPPLY

- The above Line Service rates for "Other Supply" customers assume that storage water heating and water storage for pumping purposes is controllable by MainPower. MainPower reserves the right to waive this requirement under special circumstances. MainPower also reserves the right to charge a higher fixed charge where a waiver is not approved and the customer requests Uncontrolled Supply. MainPower also reserves the right to charge a higher fixed charge where Power Factor Correction requirements are not maintained.
- Large user customers, i.e. customers consuming over 500,000 units per annum, may qualify for a volume discount. The level of discount is subject to negotiation between MainPower and each individual customer. MainPower will take into account a customers load characteristics and other relevant circumstances.

Price Schedule

APPLICABLE 1 APRIL 2016

Excluding GST and after the 10% Prompt Payment Discount is applied.

The prices in this schedule are used to charge electricity retailers for the delivery of electricity in the Kaiapoi electricity network area. Electricity retailers determine how to allocate this cost together with energy, metering and other retail costs when setting the retail prices that appear in your power account.
