

Reporting Graffiti

MainPower is committed to providing a safe and reliable electricity supply to all customers.

We need your help to keep our network equipment clear of graffiti and posters.

This includes any offensive language, pictures or discriminatory comments on MainPower assets including poles, wires, transformers, meters, vehicles and buildings.

To notify us of graffiti vandalism:

- Complete the online form - available at www.mainpower.co.nz
- Call us on 03 311 8300
- Email us - graffiti@mainpower.co.nz

Graffiti should only be removed by MainPower employees or contractors who have approval to work around our network equipment. Interfering with power poles, service boxes and other electrical equipment in any way is extremely dangerous. It can pose serious health and safety risks, not only for those doing the interfering, but also the general public and MainPower employees. If you notice anyone acting suspiciously around network equipment, call MainPower or call the police.
